# APPLICATION SOLUTIONS

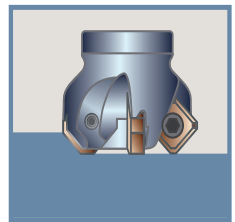

## SHOULDER MILLING

Use inserts **APKT 10** and **APKT 16** for these applications | with our cutters and dedicated inserts you will achieve a **true 90 Deg** wall.

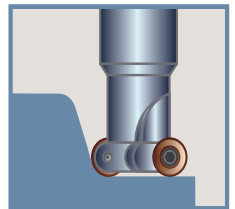

## FACE MILLING

Use inserts **SEKT 1204**, **SEKT 12T3**, **SNMX 0904** and **SNMX 1206** | with our cutters and dedicated inserts you will achieve a unparallel **surface finishing**

## COPY MILLING

Use inserts **RDMT 10T3** and **RDMT 1204** for these applications | with the our cutters you will achieve **long Tool Life** even in the most challenging application.

## HIGH-FEED MILLING

Use inserts **SDMT 09** and **SDMT 12** for these applications with our cutters you can harness the amazing effectiveness of **High-Feed Solutions**
