

The background of the top half of the page is a close-up photograph of a precision milling machine. A metallic, multi-fluted end mill is mounted on the machine's spindle. The machine has a clean, industrial design with grey and black components. In the top left corner, the text 'SWISS BLUE' is displayed in white capital letters on a dark blue rectangular background. Below this, the year '2026' is written in a large, white, sans-serif font. On the right side, a red, rounded rectangular shape contains the text 'FULL RANGE' in white capital letters. The bottom half of the page has a dark blue background with white text and icons.

SWISS BLUE

2026

FULL RANGE

MILLING CUTTERS

Comprehensive Milling Solutions

THE SWISS.BLUE ADVANTAGE

Complete Product Range

A comprehensive selection of Face-Mills and End-Mills

Precision Engineered

Swiss.Blue proprietary designs and specifications

Precision Manufacturing

High precision, true 90° walls and perfect clamping

Unbeatable Professional Value

Premium performance at highly competitive pricing

Swiss.Blue Support

International stock and Technical support

MILLING CUTTERS

APKT- 1003 & 1604

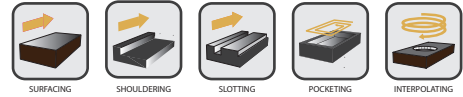

End Mills
